Sub: Shree Guru Gobind Singh Tricentenary Medical College, Hospital & Research Institute, Gurgaon - Renewal of permission for admission of 2<sup>nd</sup> Batch of MBBS students and also request for grant of Letter of Permission for proposed increase of seats from 100 to 150 for the academic session 2011-2012 - regarding

Sir,

I am directed to convey the approval of Board of Governors of Medical Council of India for renewal of permission for admission of 2<sup>nd</sup> batch of 100 (One Hundred only) MBBS students at Shree Guru Gobind Singh Tricentenary Medical College, Hospital & Research Institute, Gurgaon for the academic Year 2011-2012. The Board of Governors has granted approval after consideration of the compliance verification assessment report dated 26<sup>th</sup> May, 2011 alongwith the assessment report dated 31<sup>st</sup> January & 1<sup>st</sup> February, 2011 submitted to Board of Governors of MCI. The Permission is, however, subject to the condition that admission process may be completed as per time schedule prescribed in the Regulations of Medical Council of India.

I am further directed to inform you that your institution are fully responsible to fulfill and maintain norms including the infrastructure both physical and human resource, teaching faculty and clinical material, etc. throughout the academic year, as stipulated in Regulation of Medical Council of India. In case false/wrong declaration or fabricated documents have been used for procuring permission of the Board of Governors and the said misconduct is brought to notice or comes to the knowledge of MCI at any stage during the current academic year, your institution is not liable to be considered for renewal of permission for the next academic year and this renewal of permission is also liable to be revoked for current academic year. Besides, MCI is entitled to take all such measures against you and your college/institution as permissible under the law.

Regarding, request for grant of Letter of Permission for proposed increase of seats from 100 to 150, the Board of Governors noted that the criteria 1(1) under the heading "Qualifying criteria in part-I of the "Opening of a new or higher course of study or training (including Postgraduate course of Study or Training) and increase of admission capacity in any course of study or training (including a postgraduate course of study or training) Regulations, 2000", reads as under:

*"1(1)The medical college/institution must be recognised by the Medical Council of India for running Bachelor of Medicine and Bachelor of Surgery/Postgraduate course."*

Since the college is still not yet recognised for 100 admission, the Board of Governors as a policy decision has decided not to issue Letter of Permission for increase of MBBS seats from 100 to 150 at Shree Guru Gobind Singh Tricentenary Medical College, Hospital & Research Institute, Gurgaon u/s 10A of the IMC Act, 1956 for the academic year 2011-12.

Copy of the compliance verification assessment report is enclosed herewith.

Yours faithfully,

INDIA P. PRASAD
